

# WELCOME TO SANTA FE OPEN SPACE EL PASO COUNTY PARKS

In the mid-1980s, an Atchison, Topeka and Santa Fe (AT&SF) Railway train chugs southbound on its way up the Palmer Divide, passing nearby Spruce Mountain before reaching the Town of Palmer Lake. The New Santa Fe Regional Trail is located on the former AT&SF railway line.

## ~ Santa Fe ~ Open Space Trails Map

**TRAIL USERS, PLEASE NOTE:**  
The Santa Fe Open Space Trails are non-technical and are ~1.75 miles long in total. Be aware of wildlife, such as wild turkey, deer, and black bears. Do not trespass into neighboring private property. Be prepared with proper equipment, food and water, and communication in case of emergency.
